# YOUR SEARCH FOR AN **IDEAL SHOWER DRAIN** HAS AN END.

---

A modern bathroom design requires appropriate solutions. Our Magnetech 90 shower drain being optimal for flush-mounted shower trays comes as such. Its patented mechanical odor trap and the very compact design makes it a perfect problem solver. The chrome-plated cover does not only look stylish but the integrated hair sieve provides a great practical benefit in everyday life. Compact, stylish and odorless in every application – what else could you ask for when it comes to the ideal shower drain?

---

## **WHAT MAKES THE MAGNETECH 90 SO SPECIAL**

### **No odor, no clogging**

- patented mechanical odor trap
- odour trap does not dry out or is sucked empty
- integrated hair sieve

### **Little maintenance**

- easy to clean by removal of complete odor trap
- outlet pipe easily accessible

### **Easy to install**

- no extra tools required
- adjustable for shower trays up to 26 mm wall thickness

MAGNETECH 90 SHOWER DRAIN:  
**OPTIMAL FOR ULTRA-FLAT  
 SHOWER TRAYS**

**Compact design:**  
 Low installation height of only 66 mm.

**Entirely safe:**  
 gas-tight with negative and positive pressure

**Extremely efficient:**  
 high drainage capacity of 0.60 l/sec

**Reliable:**  
 Tested according to DIN EN 274

**Fits perfectly:**  
 for ultra-flat shower trays with dia. 90 mm drain hole and wall thickness up to 26 mm

**Easy to clean:**  
 integrated hair sieve, odor trap can be removed as a whole.

**MAGNETECH 90 SHOWER DRAIN**  
 Code No. 34.059.81..0000
